

April 29, 2021

St. Thomas Supporters,

I am writing to thank you for your support and the ongoing donations of sandwiches and supplies that you have been providing to the Busby Centre. With your support we have been able to serve over 10,000 sandwiches since the start of this pandemic and we wanted to say **THANK YOU** for your commitment! We could not continue to do the work we do without your amazing support.

As an organization, we cannot begin to express the gratitude that we feel when members of the community come forward to support our mission to create the shortest path from homelessness to housing and it would not have been possible without your support and generous donation.

Your donation will allow us to continue to assist the nearly 150 participants we see daily! The support that you have given the Busby Centre is more than just a donation, you are helping to support individuals experiencing homelessness and individuals on the verge of experiencing homelessness in our community-you are truly making a difference.

**Everybody is Somebody** at the Busby Centre! We are proud to have an amazing team of dedicated staff and volunteers who have weathered the storm of this pandemic with compassion and an unwavering belief that everybody, regardless of their housing status, has value! The people who access our services have a unique story- a life event, a decision or series of events which led them to the experience of homelessness and the support that you give to the Busby Centre is more than just a donation, it is hope, hope to end homelessness and hope for a better future!

*"The smallest act of kindness is worth more than the grandest intention." – Oscar Wilde*

Without your generosity and support we could not continue the work that we do and for that the Busby Centre sincerely thanks you. If you are interested in further supporting the Busby Centre or have any questions, please feel free to contact me anytime.

Thank you again for your support!

Candace Gordon
